WELCOME TO GOLF

Welcome to Golf is a fun, beginner-introductory series of group lessons.

We will cover everything needed to begin enjoying this great game, including; the rules of golf, etiquette, putting, chipping, the full-swing, and we will play a hole of golf. This is a great, friendly, fun atmosphere where everyone is welcome to learn the game of golf.

Welcome to Golf is a progressive program that begins with the basics (1.0), and gradually advances with more on-course experiences.

Please Circle the Session you are interested in:
