## • Fees •

*League rates for 2023 (subject to change):*

- 9 Holes riding - \$30.00 (per player)
- 9 Holes walking - \$23.00 (per player)

## • League Terms & Conditions •

- Payment is due each week before play begins. Season Passes are not applicable. Season Pass holders are responsible for the league rate each week.
- Prepayment of the league's entire season will grant the league a free week, inclusive of Green Fees ONLY.
- Leagues must provide any changes in player totals at least 2 days in advance. A league will be expected to pay for all no shows.
- **If the golf course is open and carts are allowed, Keney Park Golf Course expects the league to play at their scheduled times.**
  - If the league chooses not to play, a RAIN CHECK WILL BE GIVEN TO EACH PLAYER IN THE LEAGUE. This rain check will be good for four (4) weeks. The players in the league will have to play that league round before the 4 weeks are up.
- On days when golf carts are not allowed due to weather, a week will be added immediately following the scheduled last date of the league's season, if the league chooses not to play.
- Rain checks will be provided for league play if the last group in that league does not complete 5 holes. If 5 holes are completed it will be considered a full round.
- Please keep carts on paths as and when directed and always at least 30 feet from tees and greens.
- Golf carts may be rented by individual players.
- Food & Beverage - All alcoholic beverages must be purchased through The Tavern at Keney Park. Private coolers may be searched, and contents held until customer is ready to leave the premise. Anyone found in violation of this is subject to league cancellation due to violation of the The Tavern Liquor License.
